

Lanah K. Hake Tarango

LanahLink Social Impact Solutions

PROFILE

Social change...strategically smarter.

Experienced social impact consultant with 19 years of successful strategic social change leadership and community development across nonprofit, public and private sectors in the United States, Canada and New Zealand. *LanahLink Social Impact Solutions* provides a range of in person and virtual consulting services including programme design, executive leadership, organizational impact strategy, project management, stakeholder engagement and facilitation across social impact areas and sectors to maximize sustainable impact. Offerings from idea conceptualization, research, strategy development, to implementation and community engagement including collective impact facilitation, social marketing, advocacy and workshops. With a mission to help communities and organizations maximize their impact in a way that creates room for all to be heard, Lanah guides and empowers towards outcomes that can be sustained. Her unique mix of education, experience, creativity and comfort working with people of all backgrounds is highlighted in her ability to:

- Empower individuals and organizations to reach their community impact potential;
- Link local to national and global 'best in class' evidence based models and infrastructure;
- Engage range of stakeholders from diverse backgrounds towards collective impact;
- Facilitate internal and external collaborative engagement;
- Communicate effectively via writing, public-speaking and advocacy;
- Strategically empower stakeholders to see "big picture" while outlining tangible steps;
- Incorporate nonviolent communication (NVC) techniques;
- Bring energy and authenticity to range of issue areas to educate, engage and empower individuals and organizations towards their impact potential.

EXPERIENCE

Business Owner & CEO

March 2012-present

[LanahLink Social Impact Solutions](http://www.LanahLink.com)

LanahLink Social Impact Solutions facilitates organizations across the private, public and nonprofit sector to maximize their sustainable social impact from the inside out through:

- Executive level strategic social policy and change consulting, programme design and advisory services to support sustainable social impact;
- Professional development workshops empowering organizations to maximize resource and impact through collective impact facilitation;
- Development of Corporate Social Responsibility Strategies;
- Range of tailored educational workshops including yoga and mindfulness for sustainable leadership, introduction to peace and conflict studies and global citizenship, corporate social responsibility, social impact 101, travel as a tool for peace and range of options upon request.

Sample of projects:

- 2016 - Senior Associate work with Allen + Clarke policy consultancy in Wellington, New Zealand facilitating extensive stakeholder interviews across country, synthesis and recommendations on national level multimillion dollar public health sector project.
- 2015 – Facilitated the merger of two nonprofit organizations to address domestic violence and addiction in Indiana as one organization including executive coaching and facilitated retreats for all staff. This project was a year long initiative as the retained consultant.
- 2014 – Designed innovative programme for 'best in class' cross sector health engagement initiative for Indiana's largest health system, Parkview Health and Hospital System with over \$800 million annual revenue.

Please visit www.LanahLink.com for additional information and writing samples.

- 2014 - Developed and presented a range of workshops on introduction to corporate social responsibility (CSR) to private sector firms in the USA.
- 2013 – Facilitated joint cross-sector development of federally qualified community health clinic (FQHC) for underserved high health disparity area for Parkview Health and Hospital System.
- 2012 - Provided strategic advising oversight for education initiatives United Way of Allen County to merge local economic development efforts with national Strive cradle to career efforts.
